WHERE PEOPLE CONGREGATE, THERE ADVERTISE.

THE
PROGRAMME...

The primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

But there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,

BELTON & ROOT,

Advertising Agents.

The management reserves the right to refuse admission to anyone.

DOORS open for matinees at 2 p. m. ; curtain rises at 2.30 p. m.

Evenings.—Doors open at 7.30, and curtain rises at 8.15 p. m. sharp.

Tickets can be reserved two days in advance without extra charge.

Office open from 9 a. m. to 5 p. m.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Seats ordered by Telephone or in Person, and not called for by 7.30 o'clock on the night of performance, will then be sold to avoid loss to the Theatre.

Physicians are requested to register at the Box Office, leaving seat number as this will enable Ushers to find them, if called for, without disturbing the audience.

Children in arms not admitted to evening performances. Children three years old or over, full price.

Patrons will confer a favor by reporting to the management any incivility or inattention on the part of the employees, and annoyances of any nature.

If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Carriages can be ordered at the Box Office or of the Chief Usher.

For all lost articles, apply at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in bespattering the floor with tobacco juice, and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management seem fit to exercise its rights,

Gentlemen:—I suffered with Rheumatism (5 Years) had Diabetes for the past 5 Years, with indications of Bright's disease. I expended large sums seeking a cure but all in vain, until the 14th day of August I received your Swiss Electro-Chemical Ring. 30 days later I sent for one. I have been wearing the ring four months and since the first wear after 1 year I have not had a touch of Rheumatism and not a drop of Urinary trouble. I would not part with the ring for \$10000 if I could not give another.
